

The Shores Homeowners,

We completed the irrigation system flush on Monday. The Mace Catlin ditch is not yet turned on so there is no water flow into our ponds. We have reached out to the Mace Catlin Board to get an update. Considering the cool and wet weather we will hold off on turning the irrigation system on for a few days pending an update on the ditch.

Please use this time to set your timers to water preferably 3 days/week and no more than every other day during your scheduled water time.

Water conservation will be important.

Thank you,

The Shores HOA Board
